

# SHAPING THE FUTURE

NHS Forth Valley Healthcare  
Strategy 2016-2021

## Our Vision is of a future where:-

**Prevention** keeps people well whilst early treatment and support stops conditions from getting worse.

Health and social care services are **Person Centred** recognising that people have differing needs, circumstances and expectations of care.

Health **Inequalities** are reduced and people are encouraged and supported to take **Personal Responsibility** for managing their own health and health conditions.

Care is provided **Closer to Home**, and fewer people need to go to hospital.

**Planning Ahead** and working in **Partnership** with staff, patients, local councils and community organisations avoids emergency hospital admissions and reduces A&E attendances.

Unnecessary **Delays** and **Variations** in services are minimised and our **Workforce** is fully supported to deliver high quality, safe and effective care.
