# CLEANING YOUR EARMOULD

Patient Information  
Audiology Department

## How to clean your earmould

1. **Detach your earmould from the hearing aid as shown:**

2. **Wash the earmould in warm soapy water while being careful to keep the hearing aid dry. Rinse earmould thoroughly and dry it completely**

**3. Re-attach the earmould onto the hearing aid as illustrated:**

**If you experience any problems, please do not attend the department. Our open access clinic is CLOSED due to Covid 19 restrictions.**

**If you can't go let us know!**

Every month around 2,000 people across Forth Valley fail to turn up for hospital appointments. This costs the NHS millions of pounds each year and increases waiting times.

So if you are unable to attend, or no longer require your hospital appointment, please let us know so we can offer it to someone else.

**SMOKING IS NOT PERMITTED ON NHS FORTH VALLEY PREMISES**

This includes corridors, doorways, car parks & any of our grounds. If you do smoke on NHS premises you may be liable to prosecution and a fine.
