

# Dermatology Open Appointment

You have attended the dermatology department on \_\_\_\_\_

You have been offered an open appointment. This means that you can contact the dermatology department within the next 6 months and ask for another appointment to be made for you. If you do not contact us within 6 months then you would need to go back to your GP with any further queries.

The open appointment is only to be used regarding the skin complaint for which you are currently being seen. If you have a new skin complaint you must attend your GP.

Even if you were seen at Forth Valley Royal Hospital, you should still phone the Dermatology Department in Stirling Community Hospital to arrange a further appointment.
