

At your appointment you will meet your Orthotist

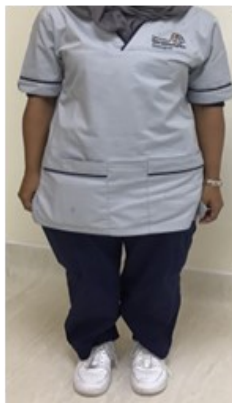

Gillian Waddell

We are looking forward to meeting you!!

Emily Greenan

Sometimes you will also meet our students... but only if you want.

Your Orthotics Appointment

We are looking forward to meeting you at Stirling Community Hospital

If your appointment is on a Monday, Tuesday or Wednesday please go to Outpatients area 3

During your appointment we will talk to you and the adult that comes with you about why you have come for an assessment. We will ask lots of questions and you can tell us all about what has been happening

Sometimes we may need to take measurements, casts or moulds – this can be a bit messy!!

If you're lucky we might have an orthosis in the cupboard that we can give you on the same day!

If its on a Thursday or Friday your appointment is at the Rehabilitation Hub

After we have spoken we will then do a physical assessment.

Depending on what you have told us, we may look at your:

- Feet
- Knees
- Hips
- Hands
- Elbows
- Shoulders

When you arrive if the reception is open please check in here but if not please take a seat until you are called

We aim to see you on time but if we are running late there are lots of toys and books

We may then look at you standing and walking
